

F 0125 – Ontario Archaeological Society Windsor Chapter fonds

FINDING AID

This fonds contains the newsletter of the Windsor Chapter of the Ontario Archaeological Society, 1977-2001. Editor Peter Reid, professor of physical anthropology at the University of Windsor, normally produced six issues per year of what he soon entitled *The Squirrel County Gazette*. The newsletter contains administrative matters pertaining to the Chapter, summaries of Chapter events and meetings, news about local excavations and findings, updates on the state of archaeology in Ontario, and news of interesting archaeological discoveries around the world.
