

AC 01 Superiors and Presidents of Assumption College and University

Finding Aid

This fonds contains records connected with 22 Superiors or Presidents of Assumption College and University, ca. 1861-2009. For the most part it is organized chronologically by individual, although later accruals to the fonds have led to some quirks in file numbering or arrangement. Much of the fonds consists of administrative correspondence connected with College/University matters. There are also photographs, reports, publications, statistics, and notes on various subjects.
